PROFESSIONAL EXPERIENCE

Public Works Authority 'Ashghal' — 2013 – Present

Public Relations & Communications Department, Qatar

Senior Designer & Design Team Leader | 2019 – Present

Promoted from Senior Graphic Designer in 2019 in recognition of design expertise and stakeholder management capability. Lead a design team of four within the Media and Communications Section, overseeing brand identity, creative production, and digital presence for a national government infrastructure authority.

Flagship Project — Corporate Rebranding (Current)

- Leading the full corporate rebranding of the Authority, managing the appointed advertising agency (Memac Ogilvy) as the primary client-side point of contact.
- Liaise across departments to gather brand requirements, align stakeholder expectations, and ensure consistent guideline adoption throughout the organisation.
- Chair regular progress meetings with the agency, steering creative direction and deliverables to remain compliant with brand guidelines and strategic intent.
- Track project progress against the baseline schedule, preparing structured status summaries that flag risks, delays, and mitigation actions.
- Present bimonthly progress reports directly to the President of the Authority, translating project status into clear, executive-level updates.
- Report regularly to direct management on project milestones, budget alignment, and agency performance.

Core Leadership & Design Responsibilities

- Direct and mentor a design team of four, allocating workload, reviewing creative output, and maintaining quality and brand consistency across all deliverables.
- Oversee brand identity application across all print collateral, including the Authority's quarterly magazine, annual report, brochures, and manuals.

- Manage end-to-end creative concept development, design execution, and print production, coordinating multiple resources to meet deadlines without compromising quality.
- Ensure consistent brand identity across all digital channels, including the corporate website and social media platforms.
- Direct web campaigns to promote the Authority's activities and services, and manage daily website content updates via SharePoint.
- Monitor and manage social media engagement, complaints, and inquiries using Microsoft Social Engagement tools.
- Oversee creative and logistical delivery of corporate events, seminars, and conferences, including presentation design and on-site brand execution.

Senior Graphic Designer | 2013 – 2019

- Applied and maintained the Authority's brand identity across print materials, including the quarterly magazine, annual report, brochures, and manuals.
- Developed advertising concepts and executed designs through to print, coordinating with multiple resources to meet deadlines while preserving quality standards.
- Maintained brand identity across the Authority's website and social media channels, and built web campaigns to promote services and activities.
- Updated the corporate website daily via SharePoint and monitored social media engagement using Microsoft Social Engagement tools.
- Applied brand identity across corporate events, seminars, and conferences, including presentation design and on-site event setup.
- Built the design and stakeholder-management track record that led to promotion into the Senior Designer & Design Team Leader role in 2019.

Media Account Manager — 2011 – 2013

Qatar Connect — Qatar Credit Bureau Account, Qatar

- Managed the Qatar Credit Bureau client account, acting as the primary liaison between the client and internal teams while based on-site at client offices.
- Built and maintained client relationships, identifying business needs and directing them to appropriate products and services.
- Designed media proposals and advertising concepts, overseeing execution and print production.
- Prepared regular performance reports on sales department metrics for client and internal review.
- Coordinated with other departments and external advertising agencies to meet client requirements and maintain account performance.

Art Director — 2009 – 2011

Black or White — Weddings.com Publication, Lebanon

- Led creative direction and brand identity for a luxury quarterly wedding publication, from concept through production.
- Managed and delegated design work across a creative team, ensuring delivery against publication timeframes.
- Recruited, trained, and supervised the design team, while managing advertiser relationships and annual advertising budgets.
- Coordinated closure deadlines across sales, design, and print teams, and led event and exhibition preparation.

Art Director / Senior Graphic Designer — 2006 – 2009

Trace Media Publishing House, Lebanon & Dubai

- Directed design output across four regional publications (Telecom Review, T2 Technology & Telecommunications, Arab Wheels, Weddings by Sporteve).
- Managed production workflows with printing partners to maintain quality and deadline compliance.
- Represented the company's design function at major regional industry events, including MECOM and GITEX.

Graphic Designer — 2005 – 2006

Prodent SAL, Lebanon

- Maintained corporate identity across advertising and stationery collateral, and coordinated event and seminar exposure as part of the media plan.
